WELCOME TO BROADWAY PALM'S 28TH SEASON

Dear Valued Season Subscriber:

Welcome to Broadway Palm's 28th Season! Before I get into our excellent lineup, I want to take a moment to reflect on the last couple of months and the COVID-19 pandemic. Like I said in one of my communications with you, as a theatre company we've survived floods, hurricanes, 9/11, and several recessions, but we have never had to cease operations for such an extended period of time. The temporary closure impacted my employees, my family and of course, you, our valued customers. While we navigated the challenging times, I was so thankful to many of you for reaching out to me and my team with your words of encouragement and support, but most importantly I was grateful for your trust in my decisions. I had to make some really tough choices, but each was made to ensure that when this was all over, our curtain would rise again and we could provide the same exceptional product you have come to expect from Broadway Palm.

Now to what you've all been waiting for, our 28th Season full of entertainment that I think you're going to be very pleased with! We'll be bringing back Broadway Palm's number one show of all time ***Mamma Mia!*** along with six musicals never before seen on our stage including the all-new musical ***Happy Days*** based on the hit TV series, the recent Broadway sensation ***On Your Feet!***, an all-new Victor Legarreta revue ***Dean Martin Variety Hour***, Irving Berlin's ***Holiday Inn*** and the 2016 New York Time's Critic's Pick ***A Bronx Tale***. We are also going back to Rydell High with the ever-popular ***Grease*** and we're paying tribute to the big voices and big hairdos from the 60s with ***Beehive the 60's Musical***. And that's just on the main stage; the Off Broadway Palm Theatre is presenting five hilarious comedies and our Concert Series includes five tribute acts that are sure to be sellouts.

I'm very happy to let you know that we will not be raising any prices and you will still receive all of the same great benefits as a Season Subscriber including discounted tickets, first choice of seats and dates before tickets go on sale to the public, complimentary exchanges and more! Also, if you had tickets to one of this season's cancelled performances, you will have a credit on your account in the amount of those tickets that you can apply to your 28th Season Subscription; there is a line on the order form where you can deduct that credit. I want to thank you again for your support and trust in all of us at Broadway Palm over the years and especially during this trying time. I can't tell you all how excited I am to bring you another season of entertainment and look forward to seeing you at the theatre again very soon!
