WELCOME TO BROADWAY PALM'S 29TH SEASON

Dear Season Subscriber:

Thank you for being so patient with us as we have navigated the most difficult year our business has ever faced. Through this challenging year, we have adopted many new operating procedures to create a safe and enjoyable experience. Thankfully, as we look forward to a right new season and a post-pandemic environment, we will be bringing back many of Broadway Palm's most favored traditions while also maintaining some important health and safety measures. We will continue to monitor guidelines and recommendations closely and make adjustments as necessary throughout the season.

Seating Chart And Capacity

We have adjusted the seating chart to add additional tables, but we will continue to operate at a 25% reduced capacity through 2022. We are reserving the B and C sections for large parties of six or more as well as groups of subscribers who choose to sit together at the same table. We have significantly increased the private tables of two and four in sections E and F to provide more private seating options. We are encouraging guests to sit at private tables and only share tables with friends and family.

Food and Dining Options

We are happy to announce that we are bringing back the salad bar, returning to our self-serve hot buffet, and the ice cream sundae and dessert bars will be back and better than ever! Hand sanitizing stations will be at the start of the buffet lines and you will be required to sanitize your hands prior to going through the salad bar, hot buffet, and dessert bars. In addition, we will be requiring facemasks when going through all food lines. For customers that are not comfortable with this style of dining, we will be offering a plated option for all performances at no additional charge. The Friday and Saturday Evening plated menu will continue to be an upscale dinner as it has been for the last few years.

Health and Safety Measures

The health and safety of our patrons, employees, and cast members is still a top priority so we will continue to require guests to wear a mask when moving throughout the theatre and when going through the salad bar, hot buffet, and dessert bar. When you're at your table, masks will not be required, but we do strongly encourage wearing a mask while watching the performance. (Face masks will be required in the Off Broadway Palm theatre until further notice.) All employees, apart from our performers when they are on stage, will be required to wear a face mask at all times, and we will maintain our more rigorous cleaning and sanitizing procedures that have been put into place.

This year, as a Season Subscriber, you will receive an even bigger discount than ever before and enjoy all of the same great benefits including first choice of seats and dates before tickets go on sale to the public and complimentary exchanges. Also, if you still have a credit on your account from unused tickets, you can apply that to your 29th Season Subscription; there is a line on the order form where you can deduct that credit. Again, thank you for your support and understanding. I'm honored to bring you another season of exceptional entertainment and I look forward to seeing you at the theatre soon!

Theatrically yours,
