

MURDER

for Two

A *New* MUSICAL COMEDY

A side-splitting musical mystery with a twist! This madcap whodunit blends comedy, music, and murder in a fast-paced laugh-fest. A small-town cop dreams of becoming a detective—his big break comes when a famous author is murdered, and the nearest detective is miles away. Can he crack the case? Two actors take on 13 roles—one as the investigator, the other as every suspect... while both play the piano!
